Newsletter No. 67

August 1971

Meetings

The next Club meeting of the Society will take place on Tuesday, 3rd August, at the Marconi College, Arbour Lane, Chelmsford, commencing at 19:30.

Frank Piper, G3BCQ, will talk about a home built ham band receiver; this talk will be followed by a discussion on 'Field Day' - a wide ranging subject not specifically confined to Low Power National Field Day.

The next committee meeting of the Society will take place on Wednesday, 18th, August, in the Saloon Bar of the 'Wheatsheaf', New Street, Chelmsford, commencing at 19:30.

Raffle

A two way folding tool box, Service Valve and Semiconductor Equivalents Book.

D.F. News

The next local event will be held on Sunday, 22nd August, starting at 14:00 from Galleywood Common.

Expedition News

Arthur Butcher, G3KPJ, has kindly supplied the following information which may enable you to collect just that county you have been waiting for

Counties will be visited by Arthur during August, as follows:

2. Roxburgh
3. Selkirk
4. Kinross
5. Stirling
6. Stirling and Dunbarton
7. Renfrew (selection of 'WAB' areas in afternoon and evening)
8. Ayr
9. Dumfries
10. Cumberland
11. Lancashire (Fylde coast)
12. Lancashire " "
13. Lancashire (Wigan, probably no operation)
14. Anglesey
15. Caernarvon (probably no operation)
16. Cardigan

Operation will be on SSB about 3760 KHz from 1900 BST. G3WSN or G3LTF will call in to engineer a 2m path. The above list is provisional and will be confirmed on a day-to-day basis on the 80m net between 19:00 and 19:30 BST. Any member requiring a 2m contact, should contact G3WSN. The 2m frequency will be 144.050 MFz unless stated otherwise. Arthur would be prepared to send slowly and listen on the band for 'phone only stations! There is a slight possibility of 160m cw operation in the late evening from some of the counties.
